Ethan Nordahl

SKILLS

- Proficient in Microsoft Word, Excel, and Powerpoint
- Excellent written and verbal communication skills
- Customer service in fast-paced sales environment
- Boy Scouts of America - Eagle Scout
 - Personal management
 - Communication

EXPERIENCE

- WattMasters Prototyping Partnerships Sep 2016 - Jun 2017
 - Intern programmer
 - Designed, constructed, and coded robots to complete various tasks.
- Gavin Gray Valentine Art Mar 2017 - Sep 2020
 - Convention booth sales
 - Multiple times a year I would help sell artwork at conventions around the US. We had to load up equipment and merchandise in a truck and travel to the site, then unload and set up the 10x10 booth that we display the art on. After the convention floor opens it stays open for 2-3 days and we do hands on sales for 10 hours each day actively engaging with customers, describing what the product is/how it was made, and making fast paced transactions with cash or card repetitively throughout the day.
- Remodeling by Classic Homes Nov 2018 - Oct 2019
 - Entry Carpenter
 - Maintained worksite to keep the space clean and safe. Built, repaired, and installed constructed cabinets, vinyl outdoor walls, wooden sheds, etc. Organized all tools and materials to lock them for safe keeping.

EDUCATION

- Winema High School
- Alumni - May 2017

Activities

- Selected from a small group of students to teach elementary school kids the basics of robotics in a comprehensive hands on demonstration.
- Organized and directed a group of 20 Boy Scouts to clear park trails, spread bark dust, pull weeds, pick up litter, and build a memorial for the Salem Audubon Society.
